Covid-19 and our schools here in Berkeley County.

At this time I found that a Backpack Program which have locations where the kids can get a lunch. They get the majority of their food from donation and attached is instructions to how to handle foods and locations as to where to donate. Also attached is the page front of the websites listed below contact info is included on these pages in case your child has a special need.

<https://www.berkeleycountyschools.org/curbsidemeals>

<http://feedbcwvkids.org/>

No actual virtual classes as such. Children were given tablets and class work to do while the schools are closed. However there is website where a student or parent can get help with subjects.

Schoology Overview

Berkeley County Schools is now using Schoology, a new tool that provides course and assignment management, mobile learning, and parent-teacher communication. As a parent, you will be able to review your child's class activities, assignments and grades within the platform.

Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms beginning this school year. With Schoology, students can digitally submit homework assignments, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more.

A Parent's Guide to Schoology

Welcome to Schoology! Below you will find an explanation of the different areas of your Schoology account. This guide is intended to help you learn how to navigate around Schoology. For more in-depth guidance on specific Schoology features, check out our Help Center at [Help Center](#). You can find our online Parents Guide [here](#).

What Is Schoology?

Teachers use Schoology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

Schoology makes it easy for parents to stay involved in their children's education.
